

Love N Cherish Academy EDUCATOR POLICY

Position Statement: Love N Cherish Academy is a family-centered educational environment that understands the importance of education and the impact of family involvement and support in the education process at an early age.

Policy: Love N Cherish Academy offers a professional courtesy to our educators in our local school systems (Rock Hill School District, York School District, and Chester School District) during extended school district breaks. Parent/guardian must present written documentation of employment as an educator in order to participate in this program.

Our local teachers are allowed to dis-enroll their child/children during Spring Break, Winter break, and Summer Break. Tuition for those weeks will be waived, however in order to hold your child's space for the fall (August), teachers must pay the yearly \$100.00 Registration Fee (\$80.00 for each additional child) and a \$150.00 Educator Space Hold Fee (\$135.00 for each additional child). Space hold fee for afterschool children is \$60.00 per child/before and after school children \$85.00 per child.

Teachers may begin paying on these fees each January; however balance must be paid in full no later than the first Monday in June. Fees can be spread over a period of time and added to your weekly tuition for up to 20 weeks.

Teachers must notify Love N Cherish Academy of the dates of their districts breaks for the upcoming year on the first day in attendance at Love N Cherish Academy in the fall.
