Love N Cherish Academy is an Early Learning Center whose focus is transitioning to School Readiness. Parent involvement is a major part of school readiness as it prepares the parent/guardian for the expectations of our local school district parents and guardians. Our children learn each day. As a parent/guardian you are should want to be educated on the regulations for Early Childhood Education, trends in your child's educational level, participate in program structure, participate in fundraisers to fund special projects such as playground renovations, classroom enhancements, or other items that you as a parent/guardian body would want to see at your child's Early Learning Center. Joining and actively participating in Love N Cherish Academy PTO will give you all of that and more.

Again, this school year, we will attempt to get our Parent/Teacher Organization off the ground. A PTO organization is all parent/guardian based. Administrators are only attend meetings as advisors and to educate parents/guardians on regulations/policies of our governing bodies. This is the school that you chose to enroll your children, why not invest your time to help promote growth through sharing your ideas and time to make Love N Cherish the best Early Learning Center in the Tri-County Area.

Our first PTO meeting will be held on Tuesday, August 28, 2018 @ 5:30pm and the last Tuesday of each month thereafter. Please take a moment of your time to start early in your commitment to the academic success of your child by joining our PTO.
